MAKING THE **DIFFERENCE** IN **TRUCKING & TRANSPORTATION** **WORKERS' COMPENSATION** **CLAIMS**

Quintairos, Prieto, Wood & Boyer, P.A. (QPWB) is not merely a law firm but a powerhouse in workers' compensation defense, with a particular mastery in the trucking industry. As the fastest-growing national group in this arena, we're revolutionizing the way legal services are delivered. Our diverse team of attorneys channels their collective experiences into a dynamic, unified defense strategy, emphasizing efficiency and coherence.

With over 100 years of combined experience, QPWB's specialized focus on trucking litigation transcends the norm. We fuse workers' comp defense with civil tort litigation, creating a seamless legal experience that drives down cycle times and costs. By centralizing processes on our integrated platform, we gather information and conduct investigations more efficiently, reducing the need for repeated interaction with client staff and allowing them to maintain peak productivity.

This streamlined method not only underscores our tailored approach

to the trucking sector's unique demands but also magnifies our role as strategic partners in managing risk and navigating complex regulations. Our attorneys excel in handling everything from routine to the most severe work-related injury claims. Whether resolving disputes through mediation or advancing to court litigation, our focus remains steadfast: minimize future exposure and defend vigorously.

When entrusting your claims to QPWB, you benefit from the expertise of a firm at the vanguard of workers' compensation defense, particularly attuned to the trucking industry's pulse. Our integrated legal services ensure that while we safeguard your interests, you can continue to drive forward without unnecessary legal entanglements. With QPWB, experience a partnership that propels you ahead, legally secured and strategically sound.
